# Introduction

I have gotten a lot of help on this from a lot of people. Virginia Tolman of Nevada, the number one Tingle researcher, has been extremely helpful in putting this information together. Virginia is a descendant of Littleton Tingle of Henry County, Kentucky through his son John.

In this listing, the father of John should be considered only an educated guess at this time. He is a descendant of Hugh and Elizabeth Powell Tingle, but the identity of his father is not known for sure.
